

August, 2021

Welcome to Marion Preparatory Academy (MPA). MPA is a community that values both high expectations for academics and behavior. Our staff embraces students, families, and communities to build and develop well-rounded students who are independent critical thinkers and lifelong learners. We believe that all children can learn as we seek to make a difference in the lives of our students.

The teachers and staff at MPA are committed to providing a quality education for all students in a safe, secure, and nurturing learning environment. We are committed to ensuring that each child reaches his or her full potential.

Currently, Marion Prep has a student population of approximately 275 students in grades K-8 on our campus. MPA's staff is made up of approximately 25 certified teammates. In addition to core academic subjects, students have the benefit of art and physical education classes. Special services available to students include intervention services and literacy/mathematics support. School hours are 7:30 – 8:00am for breakfast and instruction is from 8:00 – 3:00pm. Students will be considered tardy at 8:05am.

We encourage all parents/guardians to maintain regular communications with their child's teachers and be actively involved in the school community. Checking the school calendar, website, and our Facebook page for events and activities will help keep you informed. If you should have any questions, please feel free to contact the Main location office by calling (740) 914-3050. We look forward to meeting your child and helping foster a love of learning.

In Partnership,

The Marion Preparatory Academy Team
