Marion Preparatory Community,

We are pleased to announce Marion Preparatory Academy is expanding to high school! Students will be able to continue to get a high quality education with lower class sizes and personalized instruction. We will open Grade 9 this Fall and add a grade each year until graduating our first senior class in 2025-26. Please be on the lookout for an information night to learn more about our high school addition.

Yours in Education,

Mr. Ryan K. Mulholland  
Principal
